

SOUTHWEST TIMNATH METROPOLITAN DISTRICT

November 19, 2018

Dear Residents:

The Board of Directors of the Southwest Timnath Metropolitan Districts has passed a resolution raising the Operation and Maintenance fee roughly \$8.34 per month which will make your O and M fee \$250.00 per quarter, effective January 1, 2019.

This increase is primarily due to the **Fort Collins Loveland Water District** raising their water rates 46%. The O and M fee increase will go directly to the Districts Operations budget for the budgeted Operations which includes the irrigation water for the District.

As always, the budget will be posted on the District website and every year our district expenditures are independently audited. The audits are filed with the State of Colorado each year. If you would like to discuss the O and M fee increase further, I can be reached at 970-215-8000.
