

SOUTHWEST TIMNATH METRO DISTRICT

Hello,

10/8/19

The District works very closely with local law enforcement and has been asked to relay an important message to our Residents.

Deputy Martin of the Larimer County Sheriff's Department has observed the speeds on County Road 3F at more than 20 miles per hour over the posted limits. Per the Larimer County Sheriff's Department, the speed limits are determined from numerous variables including curves in the road, shoulder allowance, as well as the number of driveways entering the road. Please remember that due to these factors the posted speed limit is 25 miles per hour for safety concerns. Deputy Martin has asked that we remind our residents to please be neighborly and respect the posted speed limit signs on County Road 3F.

Please direct any comments and/or questions in regards to this notice to the Larimer County Sheriff's Department at 970-498-5100

Thank you
