Stain note:

The new Sherman Williams "Traditional Russet" approved stain for the Districts may not match existing fence stain exactly. Please keep in mind, on older fences and older stain, UV rays, irrigation, weather, fence preparation, location of fence with winds, and many other factors, may affect stain appearance. Stating all of this, the Sherman Williams "Traditional Russet" approved stain may not be an exact match to existing stain, but over all you will have the "Traditional Russet" appearance.
